

# Skills for Education and Employment (SEE) Program

## IMPROVE YOUR READING, WRITING AND MATHS SKILLS?

The SEE Program, sponsored by the Australian Government, offers you free training to improve your English language, reading, writing, maths, and computer skills. This program is for everyone, whether you're working, looking for a job, or volunteering.

You can learn at your own speed and choose to study full-time or part-time. You also have the option to study from different places across Australia, even from home. This flexibility lets you fit learning into your busy schedule, whether you're working or taking care of your family.

### SEE Is Free!

- training is based on your future goals
- you can begin at your own level and learn at your own pace
- you can study full-time or part-time, up to 25 hours a week
- you can learn in a classroom, at home or in your workplace
- you can still care for your family or continue to look for work if you are looking for a job
- you may be able to do work experience.

### Is SEE Right For Me?

#### You need to:

- be over 15 years and left school
- be either an Australian citizen or
- a permanent visa holder or
- on a provisional or temporary visa with working rights and eligible for the Adult Migrant English Program or
- a Pacific Australian Labour Mobility visa holder.

**SEE builds your confidence and helps you build the skills you need to reach your career goals, find a job or do more study.**
